DO NOT CIRCULATE

1. Work on the reconstruction of the dismantled Schwaan (M 54/0 80) - Buetzow (M 54/T 79) railroad line was begun in mid-February 1951. *

25X1

* Comment. The reconstruction of this single-track railroad line, a stretch of 15 km which was dismantled, was started in 1949/1950. However, it had to be interrupted again because of the shortage of rails. The line would be of importance as a feeder line to the ports of Rostock (M 55/0 81) and Warnemuende (M 55/0 82).
